

Technical drawing of a door with a semi-circular transom window. The door is 150,0 cm wide and 310,0 cm high. The transom window is semi-circular with a radius of R84,4 and a central angle of 45°. The door has a grid of 12 rectangular panes (4 rows by 3 columns) and a large rectangular pane at the bottom. The panes are labeled with dimensions: 24,7 cm wide and 36,5 cm high. The bottom pane is labeled "okucie z blachy miedzianej" and has dimensions 52,0 cm wide and 20,0 cm high. The total height of the door assembly is 385,0 cm.

Architectural elevation drawing of a building facade. The drawing shows a series of windows and doors with the following dimensions (from left to right):

- Window width: 92,3
- Window height: 50,0
- Window height: 20,0
- Window width: 41,0
- Window width: 41,0
- Window width: 41,0
- Window width: 41,0
- Window width: 44,2
- Window width: 10,0

The total width of the facade is 385,0. The drawing is labeled "okucie z blachy miedzianej" (copper sheet metal cladding) on the left side.

Technical drawing of a window frame assembly. The drawing shows a cross-section of the frame with dimensions in centimeters (cm). The total width of the frame is 150,0 cm. The distance between the two main vertical supports is 150,0 cm. The distance from the center of the frame to the left support is 75,0 cm, and to the right support is 75,0 cm. The distance from the center of the frame to the left edge of the frame is 69,5 cm, and to the right edge is 69,5 cm. The distance from the center of the frame to the left edge of the frame is 40,2 cm, and to the right edge is 40,2 cm.
